A LETTER FROM MOLLIE

I never thought I'd be writing about the kids' church, "opening" back up. It's surreal to think we actually had to "close" the doors of the church! Yes, we finally get to see each other again and we're all very excited for that! But, I want to reiterate how important it is to love our neighbor. When coming to church, we still need to be as diligent as we can to keep each other safe. Also, there will be people who cannot come to church. I said it before and will say it again, just because we can't go to church, that doesn't mean we can't have church. And that is still true. Church isn't a building, it is the body of Christ. Church is us reflecting who Jesus is outside the church walls. These verses were one of our May Children's lessons and I wanted to share them with you guys. They remind us how we can help keep each other stay safe in church and love each other outside of the church. It's from Philippians 2: 1-5. "Therefore if you have any encouragement from being united with Christ, if any comfort from his love, if any common sharing in the Spirit, if any tenderness and compassion, then make my joy complete by being like-minded, having the same love, being one in spirit and of one mind. Do nothing out of selfish ambition

or vain conceit. Rather, in humility value others above yourselves, not looking to your own interests but each of you to the interests of the others. In your relationships with one another, have the same mindset as Christ Jesus." This can be done inside and outside of our church walls. I challenge you to live these verses out in your own lives. Think of ways you can, "value others above yourself," inside and outside of the church.
