

LITTLE FLOCK

AUGUST 2020

A letter from Mollie

Oh, how life has become a mystery. Life has always been uncertain to a degree, but now it really is. Not only do we not know what tomorrow will bring, it seems any information coming our way is contradictory. For example, what will school be like this year? We hear kids will definitely go back to school, then we hear kids are not going back to school. Or wait, maybe kids will go back to school late! And then, kids will do online school. And ummmm kids will go back to school, do online school and/or well, who knows? My goodness, can you imagine being the people who have to make and execute

these decisions? We must pray for them. We must pray for our leaders in all areas. This time is tough for us all. There doesn't seem to be a perfect answer to all of it. C.S. Lewis once said, "I know now, Lord, why You utter no answer. You are Yourself the answer. Before Your face questions die away. What other answer would suffice?" You might be thinking, "Ok, yes He is the answer, but what does

that mean practically?" What that means is spending time with God by reading the bible, praying, and having quiet time to listen to God. I encourage you and your family to reserve time out of your day to be with God. It can start with just 5 minutes a day, and I promise, you will not be disappointed. The answer is in God alone. Time spent with God provides strength, help, hope, peace, and love in these uncertain times. As Zephaniah puts it so beautifully, "**For the Lord your God is living among you. He is a mighty savior. He will take delight in you with gladness. With his love, he will calm all your fears. He will rejoice over you with joyful songs.**" Zephaniah 3:17 NLT.
