

# A LETTER FROM MOLLIE

School has started, and we are all overwhelmed to say the least. If you're anything like me, some days are smooth and some days are disastrous! With COVID and all of its uncertainties, this up and down battle has been magnified. And again, if you're anything like me,

on the good days you're skipping along thinking, "I can do this and God has my back. It's all good," BUT, on the rough days, you may be thinking the opposite, "I can't do this anymore. How can I get through this day? Where are You God?" Whether you're in the ups or downs of life, God is constant, **HE IS IN CONTROL AND HE LOVES YOU!** We may never understand the why behind it all, but we do know God is on our side. Romans 8:31-32 says, "What shall we say about such wonderful things as these? If God is for us, who can ever be against us? Since He did not

spare even His own Son, but gave him up for us all, won't he also give us everything else?" Yes, we will have good and bad days, but our trust and dependence on God is not based on our feelings, but on who God is! Even Job in all his suffering said, "To God belong wisdom and power, counsel and understanding are His."
